Dear Ms. Spring:

Enclosed please find an e-mail that I have received from my constituent, Mr. Fred Huber, regarding his concerns about portions of the route of the proposed Atlantic Coast Pipeline.

I would appreciate your looking into this matter and providing me with a response for my constituent. Please mail your response to my Roanoke office at the address marked below.

Thank you for your assistance.

With kind regards.

Very truly yours,

Bob Goodlatte  
Member of Congress

<MSG>I'm all in favor of using natural gas over coal, it is cleaner and has less environmental impact. I am concerned about the current proposed pipeline route over Shenandoah Mountain. There are a number of environmental concerns, chiefly the Cow Knob salamander. This rare species occurs nowhere else in the world. Please, build the pipeline, but protect the salamander and Shenandoah Mountain. Thank you.</MSG>
